

Toliver Construction

CONSTRUCTION LABORER

Job Summary:

We need an experienced and responsible construction laborer like you to join our Company. We offer you competitive pay, opportunities for advancement and the ability to work with some of the hardest working professionals in the industry. Take pride in working alongside other respected construction laborers to provide top-quality construction services in both commercial and residential settings. Join our team and be rewarded appropriately for your efforts while you develop your skills and learn construction techniques in a fast paced environment.

Job Responsibilities:

Operate a variety of hand and power tools, including drills, forklifts, skid loaders and other tools as supervised.

Clean and prepare construction sites as needed, including removing and properly disposing of debris and waste materials.

Transport materials to and from construction areas.

Follow all safety procedures on the job site and report violations immediately to supervisor.

Maintain a safe and clean job site by handling materials and storing them properly, picking up and removing all tools and equipment when not in use, and securing the job site on a daily basis.

Load and unload construction supplies from trucks both manually and with the use of equipment

Report incidents immediately to supervisor or foreman in accordance with incident reporting procedures established by the company.

Travel out of town to work on remote job sites may be necessary.

Specific Job Responsibilities:

Ability to move doors, baseboard and trim material while keeping the work area picked up & clean.

Job Skills & Qualifications:

Required:

Valid driver's license or valid form of ID

Ability to lift heavy supplies/tools

Preferred:

High School Diploma or equivalent
